Subject: Fw: Dimock - Draft Coordination Process for EU (data review and risk communications support)

Janine and Terry:

See below a late draft version of the subject process. Please give it a review and let's discuss tomorrow. Let's get together for 30 minutes or so to discuss. Around lunch time, if possible.

Schatzi: Note that right now I do not have you involved in this effort. At this time, not clear that there is a need to also have you involved, but will re-assess as things continue to progress.

Thanks,
